

JENNINGS PITTS

Partner

Jennings is a Partner with our Corporate Tax practice and has over seventeen years of public accounting and industry experience. He began his career in the federal tax group of KPMG and held a tax position with a multinational corporation based in Atlanta. Jennings has significant experience working with federal and state & local tax provisions, compliance and consulting services and large and middle market corporate clients. He is also responsible for coordinating tax compliance and consulting engagements for closely held corporations, partnerships and individuals.

Jennings graduated with a Bachelor of Accountancy degree from Furman University and Master of Accountancy degree (Tax emphasis) from the University of Georgia. He is a Certified Public Accountant licensed in the state of Georgia. Jennings is a member of the Georgia Society of CPAs (GSCPA), the American Institute of Certified Public Accountants (AICPA) and the Atlanta Tax Forum.
