

# Abbas Raza

## MANAGER

Abbas Raza is a Manager within Bennett Thrasher's Tax practice. He has been involved with a variety of different tax, accounting and finance projects, assisting clients in a number of industries. The types of engagements Abbas helps deliver include:

- Providing transfer pricing consulting services to align business objectives with domestic and foreign transfer pricing rules, including comparable benchmarking, intangible asset valuation, cost allocations, value chain analysis, economic and financial modeling and documentation.
- Providing credit studies to determine appropriate intercompany financing arrangements for multiple real estate transactions, which include debt capacity, creditworthiness and interest rate benchmarking analyses.
- Providing state and local tax advisory services to a variety of businesses and industries by helping implement internal procedures and technology solutions for sales tax compliance at the state and local level.
