

Timothy Watt

PARTNER

Tim Watt is a Partner in Bennett Thrasher's Tax department. He focuses primarily on complex tax consulting, technical partnership issues, structuring and tax accounting methods. Tim has extensive experience serving domestic and foreign-owned private business concerns in the U.S. real estate, restaurant and hospitality industries, including:

- Commercial real estate
- Retail real estate
- Industrial real estate
- Multi-family and single-family residential real estate
- Master developers / multi-use development
- Urban infill development and re-development
- Land development
- Homebuilding
- Hospitality
- Restaurant owners and franchise operators
- Franchisors
- Other privately-held businesses

Tim began his career in Atlanta with Arthur Andersen, where he worked as an auditor in its Assurance practice serving public and privately-held manufacturing and healthcare clients. He then spent more than two years at Jones & Kolb CPAs in Atlanta, providing audit and tax services for real estate, investment and family partnerships, closely-held corporations, individuals and nonprofit organizations.
