

Silas Eldredge

DIRECTOR

Silas serves as a Director within the Disputes, Valuation & Forensics department at Bennett Thrasher. His role encompasses the complete engagement process from initial business development through follow-up relationship management for the firm's operating company and high-net worth clients. Within this process, he oversees the completion and delivery of valuations for tax reporting

purposes in addition to ad-hoc valuation support engagements. Silas has nearly a decade of experience working alongside executives, business owners, attorneys, private equity investors, and wealth managers within various industries including healthcare, hospitality, software, automotive dealers, manufacturing, construction, and real estate.

Before joining Bennett Thrasher, Silas was a Vice President within the Business Valuation – Tax Reporting team at Intrinsic LLC and he was previously a Manager in the Management Consulting team at Plante Moran. He also spent several years at VMG Health where he specialized in providing fair market value, fair value, and fairness opinions for over 20 healthcare industry sectors.

Silas graduated Magna Cum Laude from the Bill and Vieve Gore School of Business at Westminster University and has passed level 1 of the CFA program and is accredited in business valuation (ABV) by the AICPA.
