

Darya White

MANAGER

Darya serves as a Manager within the Disputes, Valuation & Forensics department at Bennett Thrasher. She oversees execution and delivery of valuation projects involving business interests in operating, asset-holding and alternative investment entities. Darya's expertise covers a range of industries including real estate, retail, professional services, construction, small business, wealth management

and alternative investment management.

Prior to joining Bennett Thrasher, Darya worked as a Vice President in the Tax Reporting practice at Intrinsic LLC, where she managed valuation projects for gift and estate tax reporting purposes, as well as for Section 409A stock valuation purposes. Prior to Intrinsic, Darya worked as a Senior Valuation Analyst at Marcum LLP, where she was involved in valuation projects for the purposes of management planning, estate and gift tax matters, mergers and acquisitions and litigation.
