

Connor Young

MANAGER

Connor Young is a Manager in our Transaction Advisory Services (TAS) practice and is based out of the Charlotte market. In this capacity, Connor assists financial sponsors, corporate strategic acquirers and business owners with financial due diligence services related to mergers and acquisitions (M&A), recapitalization and refinancing efforts. He has assisted in a wide variety of

industries with a primary focus on recurring models in technology, media and telecommunications, along with professional services, manufacturing and healthcare.

Prior to joining Bennett Thrasher, Connor worked in the Financial Institutions Group at a large regional public accounting firm, specializing in Investments and Financial Services for both public and private companies. This included audit, review and compilation services along with Sarbanes-Oxley (SOX) compliance procedures.

Connor is also licensed Certified Public Accountant (CPA) in the state of South Carolina.
